What a grind

SOUTHWEST ASIA --
SSgt Richard Panepinto grinds
down a weld for a roll-up door at
a forward-deployed location

Photo by SSgt Suzanne M. Jenkins

Giving Hercules Props

OPERATION IRAQI FREEDOM--
321st Maintenance Squadron airmen
secure a propeller prior to installing it
on a C-130H Hercules

Photo by SSgt Jennifer Wallis

Fixin' it up

TALLIL AIR BASE, Iraq --
SrA Juan Hurtado removes a
caliber from a Humvee

Photo by TSgt Bob Oldham

Ka-boom!

AL FATHAH AIRFIELD, Iraq--
Heavy equipment is used to bury part
of a 2-million-net-pound weapons
cache before Army engineers and Air
Force explosive ordnance workers
can begin detonation
